January 20, 2022

Dear Board Members,

This letter is to serve as your notice that, per KRS 61.823 (2), a special meeting is scheduled for Saturday, January 22, 2022, at 1:00 starting at the Pavilion. Due to the possibility of having a quorum of board members present during the GSC Parks Board Parks Tour, the meeting should be announced in a manner consistent with a "Special Meeting". There will be no motions or votes taken, however we will be discussing future potential projects or actions. The schedule for the tour will serve as our agenda.

Please always wear your masks. The tour is anticipated to take two hours. There is not a virtual option for this tour and the public is invited to attend with their own transportation.

Thank you,

Camille Overstreet, Chair
